

## Case Presentation

### **A case of tuberous sclerosis complex in an adult woman with unguinal fibromas**

Doaa Shalabi, BA, Thomas Jefferson University Department of Dermatology and Cutaneous Biology

### **A rare case of pulmonary ectasia**

Alexandra Varas MD, and Sara Majeed MD, MBA, St Lukes at Sacred Heart Hospital

### **Extraperitoneal Endometrioma Presenting As Incarcerated Right Inguinal Hernia In A Postpartum Patient**

Fauzan Mohiuddin Ahmed, MD, WellSpan Health Family Medicine Residency Program

### **Graves Disease**

Aarisha Shrestha, DO, and Samantha Flanagan, DO, Abington Family Medicine Residency

### **Primary Hyperaldosteronism: An Underdiagnosed Cause of Hypertension**

Samantha Flanagan, DO, and Aarisha Shrestha, DO, Abington Family Medicine Residency

### **Intractable belching in 48-year-old man: Rare presentation of Small Cell Carcinoma of lung**

Madhuri Uppalapati, MD, Kistler Family Medicine Residency, Geisinger

### **Left Ovarian Vein Thrombosis presenting as postpartum pyelonephritis**

Truong son Nguyen, DO, WellSpan Health Family Medicine Residency Program

### **Methemoglobinemia induced by excessive use of Phenazopyridine Hydrochloride**

Boingoc Dinh, DO, Wellspan Health Family Medicine Residency

### **Sclerosing Stromal Tumor of the Ovary in a Young Pregnant Woman with Pelvic Pain**

Minh T Nguyen DO, Wellspan Health Family Medicine Residency

## Community/Public Health

### **A snapshot of pregnancies complicated by obesity and overweight and their outcomes in a diverse and underserved community.**

Susan Medalie DO, Wellspan Health Family Medicine Residency

### **Incentivized Mental and Physical Health Screening and Services for the Homeless Population of Lackwanna County, PA**

Katsiaryna Malykhina, MS, and Sarah Schreiber, Geisinger Commonwealth School of Medicine

### **Introduction of Pelvic Examinations and Women's Health Education to a Student-Run Health Clinic in a Women's Shelter**

Nikole Czapp, MD, Hilary Susskind, MD, Drexel Family Medicine Residency

### **Parenthood and Burnout among Medical Trainees**

Cybill Oragwu, MD, Penn State Hershey Family Medicine Residency

## **Quality Improvement**

### **A two year improvement rate for HPV vaccination but failure to further improve by implementing a notification card system**

Fotini Debonera, MD, PhD, and Lily Payvandi, MD, Drexel Family Medicine

### **Appropriateness of Statin Therapy for Atherosclerotic Cardiovascular Risk in Patients with Diabetes**

Courtney Humphrey, MD, and Gardia Germinal, MD, St. Luke's University Health Network & Wilkes University School of Pharmacy

### **Controlled Substance Management in the Primary Care Setting**

Elsbeth Black, MD, St. Luke's Bethlehem Family Medicine Residency

### **Development of a modified X+Y Schedule**

Thomas McGinley, MD FAAFP, and Stephen DeTurk, MD, St. Luke's Warren Hospital Family Medicine Residency

### **Development of a Rural Training Track Family Medicine Residency Program**

Gregory Dobash, MD, and Stephen DeTurk, MD, St. Luke's Warren Hospital Family Medicine Residency

### **Family Medicine Residency Quality Improvement Initiative: Improving Blood Pressure Control in Diabetic Patients.**

Chloe Courchesne, MD, Penn State Hershey Family Medicine Residency

### **Implementation of a Multidisciplinary Team and Comprehensive Transitional Care Protocol for Persons with Complex Care Needs in a Community-Based Primary Care Center**

Juliana O. Odetunde, MD MPH, UPMC McKeesport Family Medicine Residency

### **Improving Advance Directive Completion at Wellness Visits**

Nicole Newingham, DO, Abington Family Medicine Residency

### **Improving Durable Medical Equipment (DME) Workflow**

Jenny Wang, MD, University of Pennsylvania Family Medicine Residency

### **Improving Pneumococcal Vaccination Rates in Patients 19-64 Years Old with Diabetes Mellitus**

Jenna E. Landers, DO, Bryn Mawr Hospital Family Medicine Residency Program

### **Increasing Pediatric Vision Screening Rates in a Suburban Family Medicine Practice**

Stephanie Carey, MD, MPH, and Erin Cathcart, MD, Penn State Hershey Family Medicine Residency

### **Increasing the number of postpartum depression screening using an effective screening tool (Edinburgh Postnatal Depression Scale)**

Thiviyath Sellathurai, MD, and Nerissa Baptiste, MD, Drexel Family Medicine Residency

### **Physician Education to Implement Dental Varnish at Well Child Visits**

Rohin Saroya, MD, Drexel Family Medicine Residency

## **Quality Improvement**

### **Pooling Together: The Collaborative Care Model and Improvements in Depression Management in the Primary Care Setting**

Mounif Rifkah, MD, UPMC Shadyside Family Medicine Residency

### **Smells Like Teen Spirit**

Rebecca Wadlinger, DO, ATC, UPMC Shadyside Family Medicine Residency

## **Research Design**

### **Imposter Phenomenon across the Span of Medical Training**

Kayley Swope, BS, Penn State College of Medicine

### **Review of HER2 overexpression in malignant diseases outside of commonly diagnosed carcinomas**

Abrar Haider, James K. Milstead and Joseph A. Aguirre, Lake Erie College of Osteopathic Medicine

### **The weakest link: emotional trauma, burnout, suicide and coping among physicians**

Tristan Imhof, MD, and Renata Carneiro, PhD, St. Lukes University Health Network Sacred Heart Campus
