Who is the best doctor in Pennsylvania? PAFP 2020 Family Physician of the Year contest kicks off

(HARRISBURG, PA. Nov. 15, 2019) The Pennsylvania Academy of Family Physicians (PAFP) is looking for Pennsylvania's finest family physician – but we can't do it without the help of patients across the Commonwealth!

A family physician is the person you go to when you're not feeling well, when you have questions about your health, when you need everything from vaccinations to prescriptions. There are thousands of excellent family physicians in Pennsylvania, and we want to know which one deserves to carry the title of **Family Physician of the Year**.

It couldn't be easier to nominate someone for the PAFP's 2020 Family Physician of the Year! A complete list of rules and digital nomination form is available pafp.com/TopDoc. The nominee must be a practicing member of the Pennsylvania Academy of Family Physicians (most Pennsylvania physicians are members). We hope patients and colleagues support their nominees with plenty of information and examples of why this doctor is deserving of the PAFP's highest award.

The nomination deadline is Jan. 10, 2020.

The Pennsylvania Academy of Family Physicians and its Foundation supports its members (including nearly 80 percent of Pennsylvania family physicians) through advocacy and education to ensure physician-coordinated, personalized, and comprehensive quality health care for every Pennsylvanian. The Academy and its Foundation are the leading influential resource among family physicians and physicians in training in Pennsylvania; the primary voice on health care issues with state legislative and administrative branches of government, media and professional health organizations; and the leader on health care issues in the community.
