

Department of Health Approved Spring Regional Concussion Courses

The Brain Injury Association of Pennsylvania along with the Pennsylvania Athletic Trainers' Society will once again be presenting FREE Approved Departments of Health and Education Regional Concussion Courses in all 12 PIAA Districts this spring. The courses meet the Safety in Youth Sports Act requirements for concussion education for coaches and are being offered as an alternative to the approved online programs offered by the Centers for Disease Control and Prevention, the National Federation of State High School Associations and the Pennsylvania Athletic Trainers' Society. All attendees will be provided a course completion certificate to verify your participation in this event.

Who should attend?

Coaches, athletes, parents, school administrators, physicians, school nurses, other health care professionals, sports officials, and anyone who wants to learn more about concussions. Athletic Trainers are encouraged to attend to learn how to design effective concussion policies with their physicians and school administrators. 1 CEU will be available for Athletic Trainers.

What will you learn?

- Understand concussions and their severity
- Recognize concussion signs and symptoms
- Testing for concussions
- Concussion treatment including steps for returning to activity (sports and school) after a concussion
- How to develop/revise concussion management and prevention policies

Where and when are the concussion courses?

If you are unavailable for your district meeting, you may attend a meeting in another district.

PIAA District 1

Location	Date	Time	Register Here
Council Rock North 62 Swamp Rd. Newtown, PA 18940	Wednesday, February 13th, 2013	7:30-9:30 PM	http://tinyurl.com/Concussion-ED-1
