

CO*RE Offering Free Webinar!

The State Academies of Family Medicine are pleased to invite you to attend a FREE webinar on Extended-Release/Long-Acting Opioids: Achieving Safe Use While Improving Patient Care. We have scheduled 6 webinars during the next several months -- one of them should be perfect for your busy schedule.

These 90-minute webinars meet the FDA requirements for ER/LA opioid risk evaluation and mitigation strategies [REMS], and include a wide range of topics relevant to your practice and patients:

- Appropriate assessment, risk evaluation and use of the agents;
- Methods to initiate, modify and discontinue use, including ongoing management strategies;
- Evidence-based tools for assessing adverse effects, plus patient and caregiver safety tips, including safe storage and disposal; and
- Product specific information on each of the agents in this class.

The webinar includes the latest evidence-based information and practical tools you will put immediately to use, and much more. A post-activity assessment will help you gauge your increase in knowledge and competency. Upon completion of the assessment and evaluation you will receive 1.5 AAFP Prescribed credits and we'll send you both the faculty slides and additional resources you can use to improve your care of patients.

Full Schedule:

Activity	EST	CST	PST	REGISTRATION LINK
June 23 – Monday	6:00-7:30 pm	5:00-6:30 pm	3:00-4:30 pm	http://bit.ly/1m5JgUW
