

ATLANTIC HEALTH PARTNERS COMPREHENSIVE PROGRAM OFFERS SAVINGS ON ALL INFLUENZA VACCINES

Atlantic works with Sanofi Pasteur, Seqirus, GlaxoSmithKline, and AstraZeneca to provide the most favorable flu pricing and terms, as well as assist with the challenges you face in selecting, pre-booking, and administering flu vaccines:

Additional features of Atlantic Health Partners' flu program include:

- Wide range of flu products to best meet your practice's needs
- Excellent shipping guarantees and return policies
- Ability to schedule shipping dates with Sanofi Pasteur
- Overall most favorable flu pricing
- Timely customer service and support

In addition, Atlantic has helped many of our members lower all their vaccine costs and strengthen their immunization efforts. Atlantic has become the nation's leading and largest vaccine buying group due its customer service and savings. We encourage you to join your colleagues already benefitting from Atlantic Health Partners.
